Dear Friends of ACCA Green Country

It's time for golf! I am writing to invite you to sponsor and play in the **annual golf tournament** sponsored by the Tulsa Area Green Country Chapter of the Air Conditioning Contractors of America (ACCA). The tournament is set for **Tuesday April 28, 2009**.

ACCA is the nationwide trade association representing heating, ventilation, air conditioning, and refrigeration contracting businesses. You may know many of our members, who regularly do business with you and your company.

This annual event not only provides our members and colleagues in the heating and air conditioning industry with the opportunity to become reacquainted, but it supports our efforts to promote unity and public awareness of the HVAC industry in Eastern Oklahoma.

This year's tournament will be at Forest Ridge Golf Club. ***We have upgraded the tournament in the quality of the course, the quality of the food (BBQ), and the sponsorship opportunity. (Ad's on the GPS in each cart).***

Please take a few moments to review the enclosed player registration/sponsorship form, organize a team and select a sponsorship level that best meets your level of support.

It is not an exaggeration to say that our organization would not exist without your generosity. If you have contributed to ACCA Green Country in the past, we thank you. And look forward to your continued support. If this is the first time you have been approached by ACCA Green Country, we trust that our programs and public outreach will appeal to you.

We look forward to having you join us on April 228 for an afternoon of tournament play on an exceptional course and socializing with friends and colleagues. If you're not a golfer, don't let that stop you from joining us at the picnic immediately prior to tournament play. We know you won't regret it!

Sincerely,

Keith Deaver, Board Member
ACCA Green Country
